

National regulations, Turkey:

The national rules of TURKEY (Ministry of Food, Agriculture and Livestock, General Directorate of Agricultural Research and Policy, **GDAR**) **for the CORE ORGANIC COFUND Project funding:**

1. GDAR could not pay for the salaries and the other personnel costs(person/month) of permanent researchers and research technicians working outside of GDAR system, for this reason, salaries should be excluded from the project budget; only temporary workers could be paid on a maximum of 5 month/year basis;
2. Although all research institutions; public, university or private can apply to this call, it is not possible to directly fund projects proposed by the scientists outside the GDAR system, therefore, Turkish consortium members must have at least one of the GDAR institutes;
3. Eligible costs are: consumables, equipment, travel, personnel costs for temporary workers and indirect costs;
4. Maximum amount for supporting per project is 100,000,00 €;
5. Subcontracting is not possible;
6. There could be a negotiation step between GDAR and successful project team;
7. Budget allocations for the successful projects could be realised through a GDAR Research Institute participating in the winner consortium, from the beginning of the next fiscal year following the signing of the contract;
8. Concerning the training and mobility activities; travel and subsistence costs should be covered by the sending country and all other in-country expenses should be paid by the host country.
